Attn.: Mr. Rod Corea

Dear Mr. Corea,

I am pleased to confirm that the training material for the Gas Technician 1 program, submitted to the Technical Standards & Safety Authority (TSSA) for review and recognition as an acceptable training manual has been reviewed by TSSA and have been found acceptable.

You may communicate TSSA's acceptance of this material to individuals who may use your manual as a training resource but may not use the TSSA logo in any marketing of the product.

Please note that this material will be subject to periodic review to ensure it reflects changes in curriculum.

If you require any further information, please contact Greg Harbridge or myself.

Kind regards,

John R. Marshall  
Director, Fuels Safety Program
